19 COUNCIL PRESIDENT CLARKE: And

20 good morning to everyone. We've clearly

22 get started.

23 To give our invocation this

24 morning, the Chair recognizes the

25 Archbishop Mary Floyd Palmer of Heavenly

1 3/10/22 - STATED - INVOCATION

2 Hall Church. She is here today as the
3 guest of Councilman Johnson.

4 I would ask all members and
5 guests and visitors to please bow your
6 head.

7 ARCHBISHOP PALMER: Thank you,
8 Mr. President.

9 City Councilpersons and to the
10 City of Philadelphia, let us pray.

11 God of our weary years, God of
12 our silent tears, thou who has brought us
13 thus far on our way, thou who has by thy
14 might led us into the light, keep us
15 forever in the path, we pray.

16 Lord, we are so grateful for
17 this day ordained by you that we would
18 gather to conduct business for the City
19 of Philadelphia. We thank you for these,
20 Lord, who have chosen to serve, who have
21 been elected by the people to represent
22 their needs. We thank you that they are
23 giving of their time and their talent to
24 do the work, not just for the whole but
25 also for the part.

1 3/10/22 - STATED - INVOCATION

2 Lord, we pray that you will
3 bless them for their sacrifice. We pray
4 that you will cover their families and
5 all attached to them. Keep them under
6 your protected care by the angels
7 assigned to them.

8 We pray, God, that you will
9 help them as they discuss the business to
10 keep in mind those that are the least,
11 the lost, and the last. We pray that
12 decisions will be made with compassion,
13 empathy, and understanding, but that
14 truth will always win out, and because
15 when truth is present, then we all win.

16 We pray, God, that those that
17 come before them will be able to be
18 respectful and will be able to be heard,
19 and that in the hearing, wisdom will
20 come, which is the principal thing given
21 by you.

22 And until then, God, we pray
23 that you will help us as a city to be
24 able to decrease that violence, that we
25 will respect each other despite our

1 3/10/22 - STATED - INVOCATION

2 differences in faith, in gender, in
3 ideas, in philosophies, but that we will
4 want the peace and the respect of life
5 that is due everyone in our city.

6 We pray for our youth. We pray
7 for our police, our fire and first
8 responders. We pray for our teachers and
9 our schools. We pray for every household
10 with a mom, a dad, a grand-mom, or
11 kinship care. And we pray, God, that you
12 will just let your spirit fall on this
13 your city, the City where our nation
14 began, and that we will again allow the
15 spirit of peace, understanding, kindness,
16 brotherhood and sisterhood to reign.

17 We love you and we thank you
18 for life today.

19 Now, help us as we conduct the
20 business at this moment. Help us to do
21 it in decency and in order, with fidelity
22 and in a most excellent way.

23 And if you do it again, God,
24 one more time where someone will be
25 helped, where we can help somebody along

1 3/10/22 - STATED - APPROVAL OF JOURNAL
2 the way, then our living, our efforts
3 will never be in vein.

4 This is my humble prayer for
5 all who are listening, and we give you
6 thanks, in the name of God the father,
7 our creator, in the name of God the son,
8 Jesus, our redeemer, and in the name of
9 the Holy Ghost, who is our comfort and
10 keeper is my prayer.

11 Amen, amen, and amen.

12 Thank you so much, and God
13 bless you.

14 (Amen.)

15 COUNCIL PRESIDENT CLARKE:

16 Thank you, Archbishop, so much. We
17 appreciate your invocation and, more
18 importantly, your spiritual guidance this
19 morning. Thank you. Thank you so much.

20 ARCHBISHOP PALMER: Thank you,
21 sir. God bless you.

22 COUNCIL PRESIDENT CLARKE:

23 Thank you.

24 Our next order of business is
25 the approval of the Journal of the

1 3/10/22 - STATED - LEAVES

2 meeting of Thursday, March 3rd, 2022, and
3 the Chair recognizes Councilman Squilla.

4 COUNCILMAN SQUILLA: Thank you,
5 Mr. President. I move that the Journal
6 of March 3rd, 2022 be approved.

7 (Duly seconded.)

8 COUNCIL PRESIDENT CLARKE:

9 Thank you. It has been moved and
10 properly seconded that the Journal of the
11 meeting of Thursday, March 3rd, 2022
12 stand approved.

13 All in favor indicate by saying
14 aye.

15 (Aye.)

16 COUNCIL PRESIDENT CLARKE:

17 Those opposed?

18 (No response.)

19 COUNCIL PRESIDENT CLARKE: The
20 ayes have it, and our Journal is
21 approved.

22 And our next order of business
23 is request for leave of absence, and the
24 Chair recognizes Councilwoman Parker.

25 COUNCILWOMAN PARKER: Thank

1 3/10/22 - STATED - MOTION REGARDING CALENDAR
2 you, Mr. President. On behalf of the
3 members of Council, there are no requests
4 for leaves of absence today.

5 COUNCIL PRESIDENT CLARKE: The
6 Chair thanks the Councilwoman.

7 And the Chair again recognizes
8 Councilwoman Parker for a motion
9 concerning certain legislative matters
10 that may arise during the course of
11 today's session of Council and that were
12 not listed on the Calendar circulated
13 prior to today's session.

14 Councilwoman Parker.

15 COUNCILWOMAN PARKER: Thank
16 you, Mr. President. I move that any of
17 the following matters, if considered
18 today, be added to the agenda for this
19 session of Council and, as required by
20 law, subsequently published on an amended
21 agenda after the consideration of those
22 matters: resolutions authorizing
23 hearings, amendments to bills on first
24 reading, the reconsideration of a bill
25 vetoed by or re-called from the Mayor,

1 3/10/22 - STATED - MOTION REGARDING CALENDAR
2 resolutions taking substantive action to
3 be voted on in this session, a motion to
4 withdraw a bill or resolution that is not
5 on the Calendar, and a motion placing a
6 bill or resolution on or returning a bill
7 or resolution from the Suspension
8 Calendar that is not listed on today's
9 Calendar.

10 The purpose of this motion is
11 to provide the public with notice
12 concerning possible actions by Council
13 that arose too late to be included on the
14 Calendar that was published prior to
15 today's session.

16 (Duly seconded.)

17 COUNCIL PRESIDENT CLARKE:

18 Thank you. It has been moved and
19 properly seconded that the legislative
20 matters stated by Councilwoman Parker may
21 be added to the agenda for today, should
22 those matters arise during the course of
23 this session of Council.

24 All in favor indicate by saying
25 aye.

1 3/10/22 - STATED - COMMUNICATIONS

2 (Aye.)

3 COUNCIL PRESIDENT CLARKE:

4 Those opposed?

5 (No response.)

6 COUNCIL PRESIDENT CLARKE: The
7 ayes have it and the motion passes.

8 And our next order of business
9 is communications. Mr. Decker, please
10 read the messages from the Mayor or any
11 other communications that you may have in
12 your possession.

13 CHIEF CLERK: Yes,
14 Mr. President.

15 From the Mayor to the President
16 and members of the Council of the City of
17 Philadelphia, pursuant to Sections 4-604
18 and 2-307 of the Home Rule Charter, I am
19 today, March 2, 2022, transmitting to the
20 Council the recommendations of the City
21 Planning Commission on the following
22 bills: Bill Nos. 211020, 220118, and
23 220119.

24 And I am pleased to advise you
25 that on March 2, 2022, I signed the

1 3/10/22 - STATED - INTRO. OF BILLS
2 remaining bills which were passed by
3 Council at its session on February 24,
4 2022 and that on March 9, 2022, I signed
5 the following bill which was passed by
6 Council at its session on March 3, 2022:
7 Bill No. 220051-A.

8 And I am transmitting for the
9 consideration of your honorable body an
10 ordinance authorizing the Chief
11 Information Officer for the City of
12 Philadelphia, on behalf of the City of
13 Philadelphia, to purchase licenses for
14 e-mail, cloud services, enterprise
15 software, data services, security
16 software, and other related computing
17 products and services, all under certain
18 terms and conditions.

19 COUNCIL PRESIDENT CLARKE:

20 Thank you, Mr. Decker. Appreciate that.

21 And our next order of business
22 is the introduction of bills and
23 resolutions. And by way of a reminder,
24 we are asking that all resolutions,
25 including privileged resolutions, be

1 3/10/22 - STATED - INTRO. OF BILLS
2 placed on the Final Passage Calendar for
3 the next session of Council, unless they
4 are being referred to committee. In our
5 current remote environment, this
6 procedure will provide an appropriate
7 opportunity for public comment.

8 I would like to thank you very
9 much in advance for your anticipated
10 cooperation.

11 Mr. Decker, please read the
12 titles of the legislation that's being
13 offered today by our members.

14 CHIEF CLERK: Councilwoman
15 Parker offers two resolutions. On behalf
16 of Council President Clarke, a resolution
17 authorizing the Commissioner of Public
18 Property to execute and deliver to the
19 Philadelphia Redevelopment Authority
20 deeds conveying fee simple title to 1403,
21 1409, 1412, 1415, 1416, 1421, 1435, and
22 1441 North 17th Street and 1624 Jefferson
23 Street in the Fifth Councilmanic
24 District.

25 COUNCIL PRESIDENT CLARKE: Next

1 3/10/22 - STATED - INTRO. OF BILLS
2 week's Calendar.

3 CHIEF CLERK: And on her own
4 behalf, Councilwoman Parker offers a
5 resolution honoring and congratulating
6 the Independence Blue Cross Foundation on
7 the occasion of its 10th Anniversary.

8 COUNCIL PRESIDENT CLARKE: Next
9 week's Calendar.

10 CHIEF CLERK: Councilwoman
11 Gilmore Richardson offers one bill and
12 one resolution, entitled "An ordinance
13 amending Title 19 of The Philadelphia
14 Code, entitled 'Finance, Taxes and
15 Collections,' by adding a new Chapter
16 19-4500, entitled 'Annual Reporting
17 Relating to Unclaimed Property.'"

18 COUNCIL PRESIDENT CLARKE: The
19 Chair recognizes Councilwoman Gilmore
20 Richardson.

21 COUNCILWOMAN RICHARDSON: Thank
22 you. Thank you so much, Mr. President.

23 Today I am introducing
24 legislation to help account for the City
25 of Philadelphia's unclaimed property.

1 3/10/22 - STATED - INTRO. OF BILLS

2 Unclaimed property refers to funds or
3 other financial property owed to
4 individuals or institutions that has been
5 turned over to the Commonwealth of
6 Pennsylvania due to lack of action by the
7 owner.

8 There is nearly \$4 billion,
9 billion dollars, in unclaimed property in
10 the Commonwealth of Pennsylvania. The
11 City of Philadelphia has at least 250
12 claims listed in the Commonwealth's
13 online database, and it could be many
14 more.

15 As our city looks to our
16 post-COVID-19 recovery, we need to ensure
17 we are not leaving any resources on the
18 table. Our total obligations are
19 increasing, and like many other cities,
20 our budget has taken a huge hit. So
21 every dollar owed to the City of
22 Philadelphia must be collected and
23 accounted for so we can continue to
24 provide Philadelphians with quality
25 resources and services.

1 3/10/22 - STATED - INTRO. OF BILLS

2 This bill will require the
3 Director of Finance to submit an annual
4 report to City Council and the City
5 Controller of all unclaimed property owed
6 to the City, a status update regarding
7 claims in process, and the total amount
8 of revenue returned to the City of
9 Philadelphia each year.

10 And for all of our Philadelphia
11 residents who are out there maybe
12 listening to the session, you may have
13 unclaimed property as well, and you can
14 go to the Pennsylvania Treasury website
15 to learn more and search and see if you
16 have unclaimed property at
17 PAtreasury.gov/unclaimedproperty.

18 Thank you, Council President,
19 and I'm looking forward to these
20 hearings.

21 COUNCIL PRESIDENT CLARKE:
22 Thank you, Councilwoman. I think I'm
23 going to go to that site. Thank you.

24 That bill is referred to
25 committee.

1 3/10/22 - STATED - INTRO. OF BILLS

2 CHIEF CLERK: Councilwoman

3 Gilmore Richardson also offers a
4 resolution celebrating and congratulating
5 Girl Scouts of the USA on the occasion of
6 its 110th Anniversary and thanking Girl
7 Scouts of Eastern Pennsylvania for its
8 service to the girls of Philadelphia.

9 COUNCIL PRESIDENT CLARKE: Next
10 week's Calendar.

11 CHIEF CLERK: Councilwoman Gym
12 offers one bill, entitled "An ordinance
13 amending Title 4 of The Philadelphia
14 Code, entitled 'The Building Construction
15 and Occupancy Code,' by revising Section
16 PM-202 of Subcode PM ('The Philadelphia
17 Property Maintenance Code'), entitled
18 'General Definitions,' to revise
19 definitions related to drinking fountains
20 and water dispensers; and revising
21 Section PM-502.6 of Subcode PM, entitled
22 'Schools,' to add provisions related to
23 drinking facilities in schools and
24 requiring filtration systems."

25 COUNCIL PRESIDENT CLARKE: The

1 3/10/22 - STATED - INTRO. OF BILLS

2 Chair recognizes Councilwoman Gym.

3 COUNCILWOMAN GYM: Thank you
4 very much, Council President.

5 Today I am introducing
6 legislation to effectively eliminate lead
7 from drinking water across Philadelphia
8 schools. This builds on the work that
9 this Council body has been leading to
10 implement stricter testing requirements
11 and expand water access, but now we are
12 moving to require the full transition of
13 Philadelphia schools to modern, lead-free
14 hydration systems.

15 The reality is is that the only
16 safe amount of lead in our school kids'
17 water is zero, and this legislation helps
18 make that a reality. Every child
19 deserves safe, clean drinking water, and
20 this pandemic made clear that there are
21 ways that we can do that.

22 The new filtration stations not
23 only are an enormous amenity in school
24 buildings that are far too old and really
25 do need upgrades, but they're also proof

1 3/10/22 - STATED - INTRO. OF BILLS

2 that we can actually -- we don't have to
3 tolerate any amount of lead in the
4 drinking water. As long as the
5 filtration systems are up to date and
6 operational, the amount of lead that's
7 passing through them is effectively
8 negligible, if not zero.

9 And so we look forward to the
10 work that we'll be doing in pursuit of
11 this legislation to get it moving. I
12 want to absolutely thank our partners at
13 the Philadelphia Federation of Teachers,
14 Penn Environmental Research and Policy
15 Center, the team at the Healthy Schools
16 Initiative, and most of all my
17 colleagues, who have been wonderful
18 advocates on the issue of not only water
19 access in the 21st century but, most
20 importantly, just modern, healthy school
21 buildings.

22 I want to thank Councilmembers
23 Bass, Brooks, Gauthier, Gilmore
24 Richardson, Green, Johnson, Parker, and
25 Squilla for their partnership on this.

1 3/10/22 - STATED - INTRO. OF BILLS

2 Thank you, Council President.

3 COUNCIL PRESIDENT CLARKE:

4 Thank you, Councilwoman.

5 That bill will be referred to
6 the appropriate committee.

7 CHIEF CLERK: Councilman Jones
8 offers one bill and two resolutions,
9 entitled "An ordinance authorizing the
10 relocation of the southwesterly curbline
11 of Ridge Avenue, from Calumet Street to a
12 point northwestwardly therefrom, and the
13 northwesterly curbline of Calumet Street,
14 from Ridge Avenue to Kelly Drive, on City
15 Plan No. 163, authorizing the plotting on
16 said City Plan of an area for public
17 pedestrian use extending along the
18 northwesterly side of Calumet Street,
19 from Ridge Avenue to a point
20 southwestwardly therefrom."

21 COUNCIL PRESIDENT CLARKE: The
22 bill is referred to committee.

23 Councilman, did you want to be
24 recognized on this one or --

25 COUNCILMAN JONES: Resolution,

1 3/10/22 - STATED - INTRO. OF BILLS

2 Mr. President.

3 COUNCIL PRESIDENT CLARKE:

4 Okay. Thank you.

5 The bill will be referred to
6 committee.

7 CHIEF CLERK: And a resolution
8 honoring and celebrating the remarkable
9 accomplishments of inspiring women
10 leaders: Benazir Bhutto, Sarah Boone,
11 Brigadier General Hazel Johnson-Brown,
12 Meta L. Christy, Admiral Michelle Howard,
13 Mae Jemison, Katherine Johnson,
14 Condoleezza Rice, Linda Thomas-Greenfield
15 and Madam C.J. Walker, in honor of
16 Women's History Month.

17 COUNCIL PRESIDENT CLARKE: The
18 Chair recognizes Councilman Jones.

19 COUNCILMAN JONES: So I'm going
20 to talk about this, but I'm going to talk
21 about the next one.

22 I happen to serve with nine
23 amazing female members of Council and
24 they are following a long line of amazing
25 women, and it's not women's history, it's

1 3/10/22 - STATED - INTRO. OF BILLS
2 American history, it's international
3 history, these trailblazers that we're
4 recognizing next week as a part of
5 Women's History Month.

6 But as an enlightened male, I
7 want to stand beside my sisters and thank
8 them for holding it down, not only in
9 their personal lives and their
10 communities but in this body, and
11 recognize that there is compatibility of
12 some of the names that are mentioned,
13 from everything from domestic kinds of
14 contributions to inventions, to being the
15 first African American woman in space.
16 So you share that kind of ethos.

17 COUNCIL PRESIDENT CLARKE:
18 Thank you.

19 That will be next week's
20 Calendar.

21 Mr. Decker, the next
22 resolution.

23 CHIEF CLERK: And a resolution
24 welcoming President Joseph R. Biden and
25 the House Democratic Caucus to

1 3/10/22 - STATED - INTRO. OF BILLS
2 Philadelphia on March 9, 2022 to
3 March 11, 2022 for the annual House
4 Democratic Caucus Issues Conference.

5 COUNCIL PRESIDENT CLARKE:
6 Councilman Jones.

7 COUNCILMAN JONES: Yeah. Thank
8 you again, Mr. President.

9 I rise to recognize them,
10 welcome them to the City of Brotherly
11 Love and Sisterly Affection, because the
12 House Democratic Caucus, along with Joe
13 Biden, I want you to think for a minute.
14 As we enter into the budget season, what
15 kind of discussions would we be having
16 right now if we did not get their
17 assistance on a number of financial
18 packages that they put forth for cities
19 like Philadelphia? Right now we would be
20 in doom and gloom. We would be closing
21 rec centers. Pools would have never
22 opened. We would have been facing
23 layoffs, and I don't know how our
24 response would have been for the
25 pandemic.

1 3/10/22 - STATED - INTRO. OF BILLS

2 So welcome to Philadelphia and
3 thank you very much for fighting for
4 cities like Philadelphia around the
5 nation, and I hope that we will be able,
6 Mr. President, following you, some time
7 while they're here this weekend, to
8 present this resolution but also maybe
9 even sneak a peek of the issues that
10 they're discussing, because they're not
11 coming here to party and pop bottles, as
12 my kids would say. They're coming here
13 to talk about important issues we will
14 face in the coming years.

15 So welcome to Philadelphia and
16 thank you for all you've delivered and
17 all you might deliver.

18 Thank you, Mr. President.

19 COUNCIL PRESIDENT CLARKE:

20 Thank you, Councilman.

21 That will be on next week's
22 Calendar.

23 COUNCILMAN JONES: Oh, I'm
24 going to need a rules suspension.

25 COUNCIL PRESIDENT CLARKE:

1 3/10/22 - STATED - INTRO. OF BILLS

2 Okay. The Chair recognizes Councilman
3 Jones.

4 COUNCILMAN JONES: I move to
5 suspend the rules for this resolution so
6 it can be considered in today's session.

7 (Duly seconded.)

8 COUNCIL PRESIDENT CLARKE:
9 Thank you. It's been moved and properly
10 seconded.

11 All in favor of said motion
12 indicate by saying aye.

13 (Aye.)

14 COUNCIL PRESIDENT CLARKE:
15 Those opposed?

16 (No response.)

17 COUNCIL PRESIDENT CLARKE: The
18 ayes have it. This particular resolution
19 will be on today's Final Passage
20 Calendar.

21 CHIEF CLERK: Councilman
22 Johnson offers one bill, entitled "An
23 ordinance establishing a no truck parking
24 regulation on South 61st Street, both
25 sides, between Lindbergh Boulevard to

1 3/10/22 - STATED - INTRO. OF BILLS
2 just past Eastwick Avenue."

3 COUNCIL PRESIDENT CLARKE:
4 Referred to committee.

5 CHIEF CLERK: Councilman Domb
6 offers one resolution honoring NBC10's
7 Glenn "Hurricane" Schwartz on the
8 occasion of his upcoming retirement and
9 recognizing his twenty-seven years with
10 the First Alert Weather Team and his
11 forty-two year career on television
12 reporting the weather.

13 COUNCIL PRESIDENT CLARKE: The
14 Chair recognizes Councilman Domb.

15 COUNCILMAN DOMB: Thank you,
16 Council President.

17 I'd like to congratulate our
18 favorite bowtie-wearing meteorologist,
19 Glenn "Hurricane" Schwartz, on the
20 announcement of his retirement, and of
21 course by the sound of it, he won't be
22 sitting on the beach somewhere but
23 instead he'll be continuing to raise
24 awareness for our world's climate crisis.
25 Very important.

1 3/10/22 - STATED - INTRO. OF BILLS

2 Glenn Schwartz has been chasing
3 storms and reporting the weather for
4 42 years. Twenty-seven of those years
5 are here in Philadelphia with our local
6 NBC10 Weather Team. He's been a trusted
7 source of weather news on our sunniest
8 days and also on our snowiest and
9 rainiest days.

10 His reporting has put him in
11 the Broadcast Pioneers of Philadelphia's
12 Hall of Fame and has encouraged his
13 authorship of a fictional novel, The
14 Weathermaker, about a character named
15 Neil Stephenson who can control the
16 weather, but of course that power comes
17 with consequences.

18 Glenn Schwartz is a
19 Philadelphian through and through, born
20 and raised here, graduating from Central
21 High School and then Penn State
22 University. He is a Philadelphia sports
23 fan and a promoter of our city. He loves
24 Philadelphia and has always come through
25 in his reporting here.

1 3/10/22 - STATED - INTRO. OF BILLS

2 When his retirement officially
3 becomes effective in May, his absence
4 will be evident to all of us, but keep
5 your eyes open for that bowtie. He's
6 coming like a hurricane in his second
7 act.

8 In his recent message to
9 viewers, he said, I'm interested in a lot
10 of things, including continuing to write
11 and to expand my other communications
12 with the public on our shared destiny,
13 the importance of climate emergency.

14 Who better to help to lead this
15 charge on the impacts of climate change
16 than the very person who reported its
17 effects on the world each and every day.

18 Thank you, Glenn "Hurricane"
19 Schwartz for your service to our city.

20 I'd like to thank all my
21 co-sponsors, including Councilmembers
22 Squilla, Gilmore Richardson, Gauthier,
23 Brooks, Parker, Oh, Green, Gym, Jones,
24 and Thomas.

25 Thank you, Council President.

1 3/10/22 - STATED - INTRO. OF BILLS

2 COUNCIL PRESIDENT CLARKE:

3 Thank you, Councilman.

4 Next week's Calendar.

5 CHIEF CLERK: Councilwoman

6 Gauthier offers one bill and one
7 resolution, entitled "An ordinance to
8 approve amendments to the Drexel
9 University Master Plan in the area
10 bounded by 34th Street, Cherry Street,
11 33rd Street, and Powelton Avenue, related
12 to the Kelly Hall building at 203 North
13 34th Street."

14 COUNCIL PRESIDENT CLARKE:

15 Referred to committee.

16 CHIEF CLERK: And a resolution
17 authorizing the City of Philadelphia
18 Council Committee on Public Safety to
19 hold public hearings to examine
20 enforcement practices, preventative
21 measures, and potential solutions
22 necessary to address the widespread
23 illegal dumping taking place in the City
24 of Philadelphia, and to explore ways to
25 collaborate with City agencies to address

1 3/10/22 - STATED - INTRO. OF BILLS
2 this problem.

3 COUNCIL PRESIDENT CLARKE: This
4 week's Calendar.

5 CHIEF CLERK: Councilman Thomas
6 offers one resolution, entitled a
7 "Resolution honoring and congratulating
8 Women's History Month's Champion of the
9 Week, Kate Scott, on becoming the second
10 female full-time broadcaster in N.B.A.
11 history and female play-by-play announcer
12 in Philadelphia sports history.

13 COUNCIL PRESIDENT CLARKE: Next
14 week's Calendar.

15 CHIEF CLERK: Councilman
16 O'Neill offers, on behalf of Council
17 President Clarke, an ordinance
18 authorizing the Chief Information Officer
19 for the City of Philadelphia, on behalf
20 of the City of Philadelphia, to purchase
21 licenses for e-mail, cloud services,
22 enterprise software, data services,
23 security software, and other related
24 computing products and services.

25 COUNCIL PRESIDENT CLARKE:

1 3/10/22 - STATED - INTRO. OF BILLS

2 Referred to committee.

3 CHIEF CLERK: Councilwoman Bass
4 offers one resolution honoring and
5 recognizing the 200th Anniversary of the
6 life and legacy of Harriet Tubman.

7 COUNCIL PRESIDENT CLARKE: The
8 Chair recognizes Councilwoman Bass.

9 COUNCILWOMAN BASS: Thank you,
10 Mr. President. Thank you for this
11 opportunity to talk about Harriet Tubman.

12 Araminta Ross, later known as
13 Harriet Tubman, was born into slavery 200
14 years ago in Dorchester County, Maryland.
15 Tubman, the daughter of Harriet "Rit"
16 Green and Ben Ross, had eight siblings,
17 three of which were sold to out-of-state
18 buyers, permanently fragmenting this
19 family.

20 In 1849, Tubman liberated
21 herself when she crossed into
22 Pennsylvania and into Philadelphia
23 through a thriving free Black community
24 of reformers, abolitionists, and
25 suffragists. With the help of William

1 3/10/22 - STATED - INTRO. OF BILLS

2 Still, Lucretia Mott, Steven Smith,
3 Frederick Douglass, Susan B. Anthony and
4 many others, Tubman soon became one of
5 the most significant conductors of the
6 Underground Railroad, guiding many
7 African Americans to freedom. And after
8 the Civil War, she was a vocal supporter
9 of the equal rights for women and the
10 rights of the elderly.

11 Because Philadelphia's history
12 and Tubman's legacy are intertwined, our
13 arts and cultural community has been
14 commemorating her life and legacy with a
15 citywide celebration of Harriet Tubman,
16 which started on January 11th of this
17 year. And highlighting Harriet Tubman's
18 legacy with this resolution,
19 Councilmembers Oh, Squilla, Sanchez,
20 Jones, Gilmore Richardson, Green, and
21 Parker join me, and I want to conclude by
22 thanking them for co-sponsorship of this
23 resolution.

24 And I want to particularly
25 thank you, Mr. President, for your

1 3/10/22 - STATED - INTRO. OF BILLS
2 leadership on this issue and on this
3 resolution and helping us to bring this
4 to bear. So we thank you so much and
5 your office and staff for working with us
6 on this particular matter.

7 And that being said, I move
8 that the rules of Council be suspended to
9 permit consideration of this resolution
10 at today's Council session.

11 (Duly seconded.)

12 COUNCIL PRESIDENT CLARKE:
13 Thank you. It's been moved and properly
14 seconded.

15 All in favor indicate by saying
16 aye.

17 (Aye.)

18 COUNCIL PRESIDENT CLARKE:
19 Those opposed?

20 (No response.)

21 COUNCIL PRESIDENT CLARKE: The
22 ayes have it, and that resolution will be
23 on today's Council session Calendar.

24 Thank you, Councilwoman.

25 CHIEF CLERK: There are no

1 3/10/22-STATED-RESOLUTIONS ON CONSENT AGENDA
2 other bills or resolutions being offered
3 today by the members, Mr. President.

4 COUNCIL PRESIDENT CLARKE:
5 Thank you, Mr. Decker.

6 That concludes our introduction
7 of bills and resolutions for today.

8 And we have no reports from
9 committee, so we will move to our next
10 order of business is the consideration of
11 the Calendar.

12 And there being no bills on the
13 First Reading Calendar today, the Chair
14 recognizes Councilwoman Parker for a
15 motion concerning the resolutions on the
16 Final Passage Calendar.

17 COUNCILWOMAN PARKER: Thank
18 you, Mr. President. I move that the
19 rules of Council be suspended to permit
20 the use of a Consent Agenda to consider
21 the following resolutions on the Final
22 Passage Calendar. They are Resolution
23 Nos. 220191, 220192, 220193, 220194,
24 220195, 220196, 220198, 220199, 220200,
25 220201, 220202, 220203, 220204, 220205,

1 3/10/22-STATED-RESOLUTIONS ON CONSENT AGENDA
2 220206, 220207, 220209, and 220210.

3 COUNCIL PRESIDENT CLARKE: Can
4 I get a second?

5 (Duly seconded.)

6 COUNCIL PRESIDENT CLARKE:

7 Thank you. It's been moved and seconded
8 that the rules of Council be suspended to
9 permit the use of a Consent Agenda to
10 consider the resolutions just read by
11 Councilwoman Parker.

12 All in favor indicate by saying
13 aye.

14 (Aye.)

15 COUNCIL PRESIDENT CLARKE:

16 Those opposed?

17 (No response.)

18 COUNCIL PRESIDENT CLARKE: The
19 ayes have it, the motion carries, and we
20 will consider the Resolution Consent
21 Agenda shortly.

22 The Chair now recognizes
23 Councilwoman Parker for a motion
24 concerning the bills on the Second
25 Reading and Final Passage Calendar.

1 3/10/22 - STATED - BILLS ON CONSENT AGENDA

2 COUNCILWOMAN PARKER: Thank
3 you, Mr. President. I move that the
4 rules of Council be suspended to permit
5 the use of a Consent Agenda to consider
6 the following bills on the Second Reading
7 and Final Passage Calendars today. They
8 are Nos. 210807, 210829, 210957, 220005,
9 220116, 210801, 210804, 210805, 210806,
10 210828, 210927, 210955, 221019, 220045,
11 220053, 220119, 220144, and 220145.

12 COUNCIL PRESIDENT CLARKE:
13 Second? Can I get a second?

14 (Duly seconded.)

15 COUNCIL PRESIDENT CLARKE:
16 Thank you. It's been moved and seconded
17 that the rules of Council be suspended to
18 permit the use of a Consent Agenda to
19 consider the bills just read by
20 Councilwoman Parker.

21 All in favor indicate by saying
22 aye.

23 (Aye.)

24 COUNCIL PRESIDENT CLARKE:
25 Those opposed?

1 3/10/22 - STATED - BILLS ON 2ND READING

2 (No response.)

3 COUNCIL PRESIDENT CLARKE: The
4 ayes have it, the motion carries, and we
5 will consider the Consent Agenda shortly.

6 The Chair again recognizes
7 Councilwoman Parker for the purpose of
8 calling up bills and resolutions on the
9 regular Second Reading and Final Passage
10 Calendar.

11 COUNCILWOMAN PARKER: Thank
12 you, Mr. President. In addition to the
13 resolutions and bills being considered on
14 the Consent Agendas, the following
15 resolutions and bills are being called up
16 from the Second Reading and Final Passage
17 Calendars today. They are Nos.
18 210778-AA, 220076, 210827, and 220114.
19 All other bills and resolutions are being
20 held, Mr. President.

21 COUNCIL PRESIDENT CLARKE:
22 Thank you very much, Councilwoman.

23 So before we proceed with the
24 consideration of our Calendar, we will
25 have our public comment session. So

1 3/10/22 - STATED - PUBLIC COMMENT

2 we're going to take a brief five- to
3 ten-minute break to allow our technology
4 professionals to connect with our
5 speakers for today's session.

6 Take a brief break.

7 - - -

8 (Short recess.)

9 - - -

10 COUNCIL PRESIDENT CLARKE:

11 Thank you. Thank you, and we are back.

12 Thank you for your patience.

13 Now that everyone is connected
14 to the meeting and before considering the
15 resolutions and bills we have before us
16 today, we will consider public comment.
17 It will go as follows:

18 Public comment must concern
19 matters on the Second Reading and Final
20 Passage Calendars for possible action at
21 a session of Council. A speaker on any
22 of those matters must sign up in order to
23 testify. You must call 215-686-3406 by
24 3:00 p.m. the day before the session to
25 sign up for public comment.

1 3/10/22 - STATED - PUBLIC COMMENT

2 When you call, we will take
3 your name, your phone number, the number
4 of the legislative item that you are
5 commenting on, and whether you are in
6 support of or against the legislation and
7 add your name to the list. We will then
8 telephone each person on the list during
9 the Council session and invite them to
10 our remote meeting.

11 Under ideal circumstances,
12 which we have today, you will have three
13 minutes to speak, but from time to time,
14 based on the volume of speakers, it may
15 vary, but today you'll have three
16 minutes.

17 In order to be fair to all
18 those wishing to speak, I intend to hold
19 faithfully to the established time limit.
20 So once invited to the meeting and asked
21 to begin your testimony, a timer will be
22 started. We will monitor your remaining
23 time throughout your testimony, and when
24 there are 30 seconds remaining to your
25 time, you will reminded of this. Once

1 3/10/22 - STATED - PUBLIC COMMENT
2 your allotted time has passed, you will
3 be asked to conclude your remarks, and
4 shortly thereafter you will be muted and
5 disconnected from the remote meeting.

6 I also reserve the right to
7 limit the number of speakers where
8 repetitious comments are being made on
9 the same subject matter, which could
10 affect callbacks for public comment at a
11 meeting.

12 Please be aware that this
13 public meeting is being recorded, so
14 because the meeting is public,
15 participants and viewers have no
16 reasonable expectation of privacy. So by
17 continuing to be in the meeting, you are
18 consenting to being recorded.

19 I want to thank you very much
20 for your willingness and your interest in
21 participating in today's Council session.

22 I will now ask Mr. Decker to
23 please call the first name on the list.

24 CHIEF CLERK: The first speaker
25 is Queen Judith Robinson, commenting on

1 3/10/22 - STATED - PUBLIC COMMENT

2 210685 and 220676 [sic].

3 COUNCIL PRESIDENT CLARKE: Good
4 morning. State your name for the record
5 and please proceed with your testimony.

6 QUEEN ROBINSON: Good morning.
7 Good morning.

8 COUNCIL PRESIDENT CLARKE: Good
9 morning. Please proceed.

10 QUEEN ROBINSON: Yes. Queen
11 Judith Robinson here to speak on 220076,
12 that PHA land deal. But first I want to
13 say it's Women History Month, and it's
14 easy to try to write Black women out of
15 history. It's been done for many
16 centuries. So in that regard, I want to
17 speak on some activist advocates, real
18 deal. PHA tenant council woman Virginia
19 Wilkes, Richard Allen, Ida Mae Pittman,
20 Raymond Rosen, Charlie Johnakin,
21 Schuylkill Falls, and all of the Black
22 women tenants of PHA. Say their names.
23 They are truly advocates and activists.

24 Regarding 200076 [sic], PHA has
25 been allowed to do a lot of land swaps.

1 3/10/22 - STATED - PUBLIC COMMENT

2 I have to recall Bill No. 150409 when
3 they were allowed to use eminent domain
4 to take African American lands and
5 properties over there in
6 Brewerytown-Sharswood area. We need to
7 look at these land deals. They're doing
8 everything but managing the 80,000
9 tenants that reside in their properties,
10 mostly Black women with their children.
11 Remember, Black women are 70 percent of
12 Philadelphia yearly evictions.

13 You know, we need to make
14 certain charity starts at home. Don't
15 write yourself out of history. Don't
16 count yourself out. Make sure we're
17 being respectful of the Black women in
18 this town who are holding up fort for
19 decades, decades. We can't obfuscate,
20 make up stuff, and disrespect your momma.

21 With that, I'm going to say
22 it's Women History Month, y'all. Get
23 your history straight.

24 Queen Judith signing off. Have
25 a great day.

1 3/10/22 - STATED - PUBLIC COMMENT

2 COUNCIL PRESIDENT CLARKE:

3 Thank you for your testimony. We
4 appreciate it.

5 CHIEF CLERK: The next speaker
6 is William Tung, commenting on 210927 and
7 210145 [sic].

8 COUNCIL PRESIDENT CLARKE: Good
9 morning. State your name for the record.
10 Please proceed.

11 MR. TUNG: William Tung. Good
12 morning, Council President Clarke and
13 City Council. My name is Will Tung. I
14 live in the Third Councilmanic District
15 and am speaking in support of Bills
16 210927 and 220145 on behalf of myself and
17 Fifth Square.

18 In February 2020, my
19 six-year-old daughter, my wife, and I
20 were all walking across the street in
21 West Philly when we were struck by a
22 reckless driver. Since then,
23 Councilmember Gauthier worked hard to
24 approve and prioritize the placement of
25 speed cushions on several blocks of

1 3/10/22 - STATED - PUBLIC COMMENT

2 Springfield Avenue where the incident
3 happened. These treatments have worked
4 so well that this section of Springfield
5 Avenue is no longer on our High Injury
6 Network, the City's list of most
7 dangerous streets.

8 I firmly believe that these
9 changes to Chestnut and Market Streets
10 will be an enormous benefit to all
11 roadway users alike, whether motorist,
12 cyclist, pedestrian, or transit rider.
13 It will reduce the distance that people
14 are exposed to cars when crossing the
15 street and will calm traffic and reduce
16 crashes that cause death and serious
17 injury every day in our city.

18 I applaud Councilmember
19 Gauthier for her leadership in making
20 sure that these absolutely vital
21 interventions get through, benefiting the
22 most vulnerable roadway users.

23 Fatal or serious injury crashes
24 are three times more likely to occur in
25 areas of the City where most residents

1 3/10/22 - STATED - PUBLIC COMMENT
2 are living on low incomes compared to
3 wealthier areas, and it is these
4 neighborhoods that see the most death and
5 injury from crashes.

6 We still have a long way to go
7 for our city to reach its Vision Zero
8 goal of eliminating roadway deaths by
9 2030. Our city sees higher per capita
10 traffic deaths than Boston, Chicago, San
11 Francisco, and more than double the death
12 rate of New York City.

13 The City needs important
14 leaders like Councilmember Gauthier to
15 lead the charge against the tide of
16 roadway death.

17 Thank you.

18 COUNCIL PRESIDENT CLARKE:
19 Thank you for your testimony. We
20 appreciate it.

21 CHIEF CLERK: The next speaker
22 is Daniel Trubman, commenting on 210927
23 and 220145.

24 COUNCIL PRESIDENT CLARKE: Good
25 morning.

1 3/10/22 - STATED - PUBLIC COMMENT

2 MR. TRUBMAN: Hello. Good
3 morning, Council President.

4 Hello. My name is Daniel
5 Trubman, and as a member of Fifth Square,
6 I would like to second the comments made
7 by my colleague Will Tung and ask you to
8 vote yes on Bills 210927 and 220145 to
9 extend bike lanes on Chestnut Street and
10 Market Street in West Philadelphia.

11 While I'm excited these bills
12 are advancing, these companion bills also
13 prompt some reflection about the state of
14 bike infrastructure in our city and what
15 steps will be necessary to make more than
16 marginal improvements.

17 First, while I'm glad
18 Councilmember Gauthier supports these
19 bike lanes, it's absurd that we subject
20 this type of safety infrastructure to
21 councilmanic prerogative. Indeed, we
22 would have had these bike lanes built
23 years ago but for disapproval from one
24 individual.

25 Over and over again, this

1 3/10/22 - STATED - PUBLIC COMMENT
2 Council has supported resolutions
3 supportive of facilitating more bike
4 ridership, achieving Vision Zero, and
5 combatting climate change. And indeed,
6 over and over again, the voters of
7 Philadelphia have endorsed these policy
8 choices.

9 But the existing norm of
10 councilmanic prerogative constantly
11 stymies progress on these important
12 issues. So if you are serious about
13 these promises you made, we need to allow
14 the Mayor's Office to implement these
15 safety reforms administratively. The
16 preferences of individual Councilmembers
17 should be considered, but the current
18 system of total deference is leading to
19 unnecessary death and (unintelligible) of
20 a policy status quo almost all of you
21 claim to oppose.

22 Secondly, it's time to admit
23 that paint isn't real bike
24 infrastructure. Anyone with eyes can see
25 unprotected bike lanes are really just

1 3/10/22 - STATED - PUBLIC COMMENT

2 auxiliary parking and loading zones.

3 It's clear that some Councilmembers are
4 indifferent about young children having
5 to swerve into traffic because so-called
6 bike lanes are frequently blocked, but
7 for those of you who actually commit to
8 eliminating all traffic fatalities, this
9 extended parking-protected bike lane on
10 Market Street should -- I'm sorry; on
11 Chestnut Street should serve as an
12 example of how to do it right.

13 I would urge this Council to
14 work with OTIS and PennDOT to allow more
15 parking-protected bike lane pilots and to
16 work with our legislative caucus in
17 Harrisburg to permanently legalize
18 parking-protected bike lanes in
19 Philadelphia.

20 We know how to build safe bike
21 infrastructure. What's lacking is the
22 political will to implement the
23 structural reform necessary to get it
24 done.

25 Thank you.

1 3/10/22 - STATED - PUBLIC COMMENT

2 COUNCIL PRESIDENT CLARKE:

3 Thank you for your testimony. We
4 appreciate it.

5 CHIEF CLERK: The final speaker
6 is Chris Aho, commenting on 210927.

7 COUNCIL PRESIDENT CLARKE: Good
8 morning. State your name for the record
9 and please proceed with your testimony.

10 (No response.)

11 COUNCIL PRESIDENT CLARKE: Good
12 morning. Are you connected?

13 MR. AHO: Hello. Sorry. This
14 is Chris Aho. Are you waiting for me?

15 COUNCIL PRESIDENT CLARKE: We
16 have you, yes. Please proceed. Thank
17 you.

18 MR. AHO: Thank you. Good
19 morning. I'm testifying today in support
20 of Ordinance 210927, which reallocates
21 one travel lane of Chestnut Street for
22 use as a protected bike lane.

23 I would like to share a
24 personal story from last September when I
25 was riding my bike on Baltimore Avenue.

1 3/10/22 - STATED - PUBLIC COMMENT

2 I was commuting to work in South Philly
3 along my usual route. I knew where all
4 the bumps and potholes were, which
5 intersections to be especially cautious
6 through, and my route was intentionally
7 planned to minimize the amount of riding
8 I would have to do in mixed traffic with
9 cars.

10 On that morning, I only got a
11 few blocks from my home before a driver
12 turned right, crossing my path and
13 hitting me, sending me to the ground
14 where I broke multiple bones in my left
15 arm. The driver who hit me was coming
16 from out of town and had been turning at
17 the gas station at 46th and Baltimore.

18 I was doing everything possible
19 to reduce my risk on that commute, the
20 same as I do every time I ride my
21 bicycle. I was wearing my helmet. I had
22 multiple flashing lights on my bike, and
23 my front and rear brakes were both
24 working well. I was riding at safe
25 speeds and in the bike lane, obeying

1 3/10/22 - STATED - PUBLIC COMMENT
2 traffic control devices.

3 However, these measures did not
4 protect me, because the bike lane on
5 Baltimore Avenue is just a thin ribbon of
6 asphalt between a row of parked cars and
7 moving traffic. I had only a split
8 second to react to the driver turning
9 across my path and nowhere to go with
10 parked cars blocking the exit to my
11 right. Had I been riding in a protected
12 bike lane that morning, like the one that
13 this ordinance will allow, it's likely
14 that the collision would have been
15 prevented entirely and I would not have
16 needed to spend months in a cast and
17 going through recovery.

18 I hope that this ordinance and
19 more like it are passed soon.
20 Retrofitting streets with protected bike
21 lanes has been proven to improve safety,
22 not just for people cycling but also for
23 people walking and driving. Working to
24 complete and extend the network of
25 protected bike lanes will mean that

2 cycling will move closer to becoming a
3 viable transportation option for
4 residents of all ages and abilities.

1 3/10/22 - STATED - 2ND READING

4 by adding Section 14-532, entitled the
5 "/AHP, Affordable Housing Preservation
6 Overlay District" and making other
7 related changes; to amend the

16 COUNCIL PRESIDENT CLARKE:
17 Thank you.

18 The Chair recognizes
19 Councilwoman Gauthier.

20 COUNCILWOMAN GAUTHIER: Thank
21 you, Mr. President.

22 And good morning, everyone.
23 Today we are considering final passage of
24 Bill 210778, which would create the
25 Affordable Housing Preservation Overlay

3/10/22 - STATED - 2ND READING

District in West Philadelphia. This overlay includes the University City Townhomes, a deeply affordable housing complex in the heart of one of the Third District's most amenity-rich neighborhoods, and it intends to encourage the production of affordable housing in areas of the City where low-income residents could be especially vulnerable to displacement.

If passed, properties in this overlay would be subject to many of the same provisions as the Mixed-Income Neighborhoods Overlay, which requires 20 percent of units to be offered at affordable rents. The bill would go into effect immediately.

Last year the owner of the townhomes declined to renew their affordable housing contract with HUD, instead opting to sell the property. And because of the market forces currently at play in University City, it's likely that without policy interventions, any further

1 3/10/22 - STATED - 2ND READING

2 development would prioritize commercial
3 development over residential.

4 In my eyes, it's an injustice
5 to simply stand by and watch while
6 low-income people, working-class people,
7 and people of color in amenity-rich
8 neighborhoods across our city,
9 neighborhoods that these Philadelphians
10 and their families helped build over
11 generations, are pushed out, and it's the
12 result of multiple factors. It's the
13 result of how poorly affordable housing
14 policy has been handled over the years at
15 all levels of government. It's the
16 result of the general perception in this
17 country that maximizing profits
18 regardless of social cost is an
19 acceptable way to do business. And it's
20 the result of how the wealthy and
21 powerful have placed economic growth and
22 interest above the needs of existing
23 Black communities.

24 For context, in the late 1960's
25 and early 1970's during what was known as

1 3/10/22 - STATED - 2ND READING

2 "urban renewal," the City of Philadelphia
3 raised the Black Bottom neighborhood to
4 make way for a science and technology
5 research campus, which today we know as
6 the University City Science Center.
7 Thousands of Philadelphians, roughly
8 80 percent of whom were Black, were
9 displaced as a result, not just from
10 their homes but from their community.

11 This block was initially slated
12 to be part of that research campus, but
13 neighbors and University of Pennsylvania
14 students banded together to demand that
15 sites be set aside for affordable housing
16 so that people displaced by urban renewal
17 had options to return, so that they would
18 have access to housing in the
19 neighborhood for generations to come.

20 Now, let's fast forward to
21 today. Forty years after the University
22 City Townhomes first opened, our city and
23 the Third District has changed
24 dramatically. In the last two decades
25 alone, housing prices have tripled in

1 3/10/22 - STATED - 2ND READING

2 this immediate area. The Black
3 population east of 52nd Street has been
4 cut in half, and the end is nowhere in
5 sight. An estimated \$5 billion has been
6 spent on construction in University City
7 in the last decade alone.

8 So considering all of this,
9 it's clear we need to do more to protect
10 affordable housing and to ensure that our
11 zoning reflects how important it is to
12 reserve housing in neighborhoods of
13 choice in this city. This is what the
14 Affordable Housing Preservation Overlay
15 is all about.

16 I also want to highlight a
17 companion piece of legislation, Bill
18 220007, that will expand the overlay to
19 other locations along the
20 Market-Frankford transit corridor. This
21 ordinance will ensure further
22 affordability by requiring a higher
23 percentage of affordable units be
24 included in projects where developers
25 wish to access density bonuses. This

1 3/10/22 - STATED - 2ND READING

2 bill is currently awaiting a hearing, and
3 I look forward to discussing it further
4 with my colleagues.

5 Finally, I want to take a
6 moment to discuss the issue of opt-outs.
7 Since the 1980's, programs, including the
8 Low Income Housing Tax Credit Program,
9 have incentivized private developers to
10 create and maintain affordable housing
11 units. While these programs have allowed
12 the production of many thousands of
13 affordable homes in Philadelphia,
14 property owners are only required to
15 provide these units for a set number of
16 years, putting residents at risk of
17 displacement once the term of the subsidy
18 ends.

19 By the end of 2025,
20 affordability and income restrictions on
21 over 300,000 homes across the country are
22 set to expire. Approximately 5,600 of
23 those units are in Philadelphia, and 670
24 of them are in my district. And since
25 not enough new affordable housing is

1 3/10/22 - STATED - 2ND READING

2 being built to replace what's being lost
3 and meet the demands, expiring subsidies
4 have the potential to displace thousands
5 of Philadelphians.

6 No comprehensive plan has been
7 created at any level of our government to
8 address this growing problem. It's a
9 crisis and it's imminent.

10 And what gets lost too often in
11 this conversation are the people that
12 these decisions impact. I am offended by
13 the notion that people should be
14 displaced from their communities and
15 moved all about with little to no regard
16 for their safety, their social supports,
17 the continuity of their kids' education,
18 their faith communities, and the list
19 goes on.

20 Sometimes it feels like certain
21 sets of people in our city are making out
22 great, thriving and profiting more than
23 ever, while others; namely, working-class
24 people, are losing again and again and
25 again.

1 3/10/22 - STATED - 2ND READING

2 We as a city have an obligation
3 to step up and to step in, to protect
4 people, to protect housing, and to be
5 actively engaged in creating
6 intentionally equitable communities, and
7 passing this overlay bill is an important
8 step in that direction, both for West
9 Philly and for our city as a whole.

10 Thank you.

11 COUNCIL PRESIDENT CLARKE:

12 Thank you, Councilwoman.

17 Those opposed?

2 enforcement practices, preventative
3 measures, and potential solutions

25 CHIEF CLERK: There are no

1 3/10/22 - STATED - SPEECHES

2 other resolutions on the Final Passage
3 Calendar, Mr. President.

4 COUNCIL PRESIDENT CLARKE:

5 Thank you very much, Mr. Decker.

6 Prior to recognizing members
7 regarding speeches, I will note for the
8 record at this time we will use the Chat
9 feature available in Microsoft Teams to
10 allow members to signify that they wish
11 to be recognized. In order to comply
12 with the Sunshine Act, the Chat feature
13 must only be used for this particular
14 purpose.

15 And do we have any speeches on
16 behalf of the minority?

17 The Chair recognizes
18 Councilwoman Brooks.

19 COUNCILWOMAN BROOKS: Thank
20 you, Council President.

21 I want to thank you
22 specifically for your resolution in honor
23 of the life and work and legacy of
24 housing activist Jennifer Bennetch and
25 for allowing me to introduce the

1 3/10/22 - STATED - SPEECHES

2 resolution on your behalf.

3 As you know firsthand, Jen was
4 definitely a force to be reckoned with.
5 She was fierce and driven and committed
6 to fighting for equal distribution of
7 wealth and resources in Philadelphia.
8 Her work in founding Occupy PHA and
9 leading the efforts to secure homes for
10 unhoused people as part of the encampment
11 protest did push the status quo and she
12 changed our idea of what is possible when
13 you fight for what you believe in.

14 So I want to thank my Council
15 colleagues for honoring Jen and
16 especially Council President for his work
17 on this resolution. May we fight for
18 permanent housing for every person in the
19 City in her memory.

20 Thank you.

21 COUNCIL PRESIDENT CLARKE:

22 Thank you, Councilwoman. And when you
23 say I know about her firsthand, I know
24 about her firsthand. You know what I
25 mean. She was so passionate, I'll tell

1 3/10/22 - STATED - SPEECHES

2 you, I'll tell you. We'll miss her.

3 Speeches on behalf of the
4 majority?

5 The Chair recognizes Councilman
6 Johnson.

7 COUNCILMAN JOHNSON: Thank you,
8 Council President.

9 I just wanted to acknowledge
10 Archbishop Mary Floyd Palmer who was here
11 today, and I didn't get a chance to just
12 acknowledge that she's the first and only
13 female Archbishop, not only in the City
14 but also in the State of Pennsylvania as
15 well. So she's carrying on the life and
16 legacy of her dad, Melvin Floyd, within
17 her own right. She is doing a lot of
18 work as being a member of the clergy.

19 So I want to acknowledge her
20 hard work and dedication, even as we
21 embark upon 100 homicides here in the
22 City of Philadelphia. And so we must
23 continue to keep our foot on the gas in
24 figuring out ways on how we're going to
25 reduce this level of gun violence that we

1 3/10/22 - STATED - SPEECHES

2 are seeing here in the City of
3 Philadelphia. I think we surpassed
4 Chicago right now.

5 So I want to thank all my
6 colleagues last week who took time out of
7 their schedule and participated in the
8 Special Committee on Gun Violence hearing
9 on youth mental health trauma and gun
10 violence, and also we came out with some
11 additional follow-up items that we're
12 going to be looking at in terms of
13 addressing the issue of trauma and how
14 hurt people hurt people, particularly
15 when we're talking about children.

16 And tomorrow at 9:30 a.m.,
17 we're having a Special Committee on Gun
18 Violence hearing around domestic violence
19 and gun violence. I'm quite sure
20 everybody is paying attention to how
21 during last year, especially during these
22 last two years during the pandemic, we've
23 seen an increase in women being shot or
24 murdered. A significant amount of those
25 shootings were based upon domestic

1 3/10/22 - STATED - SPEECHES

2 violence. And so we're going to do a
3 deeper dive working in partnership with
4 Women Organized Against Rape, Women
5 Against Abuse, Philadelphia Police
6 Department, and other stakeholders on how
7 we look at different strategies of how
8 we're addressing this here in the City of
9 Philadelphia.

10 So I just wanted to thank
11 everyone for participating. Those
12 hearings are very, very meaningful when
13 it comes to looking at strategies but,
14 most importantly, the recommendations and
15 the work that comes out of doing the deep
16 dive in the hearing.

17 So, again, thank you, Council
18 President, for the time allotted, and
19 everyone keep up the good work and God
20 bless.

21 COUNCIL PRESIDENT CLARKE:

22 Thank you. Thank you, Councilman. Thank
23 you for continuing to stay focused on
24 this very, very important issue.

25 The Chair recognizes

1 3/10/22 - STATED - SPEECHES

2 Councilwoman Gym.

3 COUNCILWOMAN GYM: Thank you
4 very much, Council President.

5 I first want to thank my
6 colleague Councilmember Jamie Gauthier
7 for her important legislation and the
8 City Council body for moving forward on
9 the important legislation regarding the
10 University City Townhomes.

11 Displacement at this scale is
12 not merely a matter of market forces but
13 the failure to protect people when these
14 things become -- especially when these
15 things become exploitative and punitive,
16 and more work clearly needs to be done in
17 this area.

18 I just want to thank
19 Councilmember Gauthier for taking those
20 important steps, for doing it, and for
21 this Council body for looking out for our
22 residents.

23 But what I wanted to focus on
24 today was that today are the closing
25 arguments in the fair funding trial

1 3/10/22 - STATED - SPEECHES

2 that's happening right now in the
3 Commonwealth Court, and over the last
4 three months and 40-plus witnesses,
5 including school superintendents and CFOs
6 and academic experts, we have heard much
7 testimony about the gross inequity and
8 inadequacy that the State of Pennsylvania
9 has when it comes to funding one of the
10 most critical institutions, not only here
11 in the City of Philadelphia but as a
12 democracy, and that is the funding of our
13 public schools.

14 What became very apparent
15 through the testimony of the fair funding
16 trial is that the underfunding of our
17 schools is deliberate, it's known, and it
18 is still being defended by individuals
19 like Jake Corman and members of the State
20 Legislature.

21 The students, parents,
22 educators, and families who have endured
23 overcrowded classrooms, closed libraries,
24 a lack of counselors and supports, and
25 dilapidated buildings never needed a

3/10/22 - STATED - SPEECHES

trial to make that clear. But it's very apparent to have all these witnesses going on and saying and questioning whether diversity is necessary or is considered an asset, whether some students should have access to a basic course like algebra if they are, quote/unquote, on the McDonald's truck. These were shocking things said in a court of law, and it's a reminder that we don't actually have to wait for a ruling from the Commonwealth Court to push for better funding of our schools.

It's frankly ridiculous that we have to legislate ending lead in our drinking water in a public school building. It shouldn't happen, because it should never have been an issue.

It's ridiculous that our Council body has had to take numerous steps to improve school facilities, to improve basic access to resources for young people, but nonetheless here we are.

1 3/10/22 - STATED - SPEECHES

2 We have more than \$8 billion in
3 surplus at the state level that should go
4 towards the modernization of our schools
5 and towards funding school facilities.
6 There's work that we have to do on our
7 own City Council body. It's why we
8 pushed so hard to reform the ten-year tax
9 abatement to make sure that schools get
10 properly funded and why we'll take the
11 Parking Authority to task if they are
12 diverting money that should be rightly
13 due to our schools.

14 But this is not obviously
15 something that's going to be corrected in
16 one budget session or through any
17 individual piece of legislation. It's
18 got to be a commitment by our body. I
19 think we've done that. I think we put
20 more money towards our schools. But the
21 gap is significant and we've got to push
22 for more, and that should not cause fear.
23 It should cause us to think about the
24 opportunities that can happen when we
25 tell our young people, each and every

3/10/22 - STATED - SPEECHES

single one of them that step through those doors, that their lives matter and that we care about them.

And the last thing I'll say is that in case we haven't -- that there's been some recent studies, not just about the departure of teachers from our public schools but the massive gap in staffing in our school buildings. There are almost 1,000 calls for substitutes each and every day in the School District of Philadelphia. That is basically 30,000 kids a day who walk into school at 7:30 a.m. and do not have a regular teacher in front of them. That is a crisis of gargantuan proportions. It's not only for this year but it will be for next year, and it will certainly be a major issue for the next superintendent.

But the reason why I bring that up is not to say that there are teachers who aren't just in classrooms, but we have to make and revitalize teaching as a profession. All of us on this Council

1 3/10/22 - STATED - SPEECHES

2 body have been deeply committed to jobs,
3 jobs, jobs. Many of us on this Council
4 body have been educators and teachers
5 even in our public schools here in
6 Philadelphia.

7 To me, teaching is still the
8 best job, the most important job that
9 I've ever had, and I want us as a body to
10 work together to elevate the practice of
11 teaching, to call people to this work,
12 and to revitalize our schools, classroom
13 by classroom, school by school.

14 Thank you very much, Council
15 President.

16 COUNCIL PRESIDENT CLARKE:
17 Thank you so much, Councilwoman.

18 The Chair recognizes
19 Councilwoman Bass.

20 COUNCILWOMAN BASS: Well, thank
21 you, Mr. President.

22 You know, this has been a tough
23 week. It's been a tough week for our
24 office. It's been a tough week for the
25 folks of the City of Philadelphia when

1 3/10/22 - STATED - SPEECHES

2 you look at crime and violence and the
3 effects that it has had.

4 Just last week, last Thursday
5 evening, a gentleman in Germantown, what
6 we would call one of our elders, was
7 gunned down at an ATM machine in his own
8 neighborhood. He felt safe. You know,
9 many people said, oh, you know, that's
10 not a good place to use an ATM. Any
11 place should be a good place to use an
12 ATM.

13 We have to stop suggesting that
14 it's okay for folks to take over our
15 neighborhoods, that it's okay for them to
16 approach us with guns drawn and demand
17 what is someone else's, what they have
18 worked for.

19 And so we have this horrible
20 situation with one of our elders gunned
21 down in Germantown, and as I mentioned,
22 within my office we had a young man who
23 was a Council staffer for many years who
24 we lost to gun violence this past week,
25 Khamir Carlton, who was the son of former

3/10/22 - STATED - SPEECHES

Streets Commissioner Donald Carlton.

Khamir came to work with us in City Council right after college, and he was a Dean's List student. He was on the honor roll in school. He was a good kid. He was a good kid. And he was a father of three, 28 years old, and, you know, I just really wanted to say his name this morning. I really wanted to say his name.

And so as we talk about violence and the effect that it has and the lingering effects that this kind of violence has on all of us, we need to talk about the investments that we make and just securing these investments and ensuring that they're doing the job that we have required them or requested from them to do.

One of the things that I wanted to just mention to my colleagues, particularly my district colleagues, is that we have a listing of all of the investments made recently in the last

1 3/10/22 - STATED - SPEECHES

2 year or two within Parks and Rec
3 facilities. We're going to be
4 distributing that information and meeting
5 with members to talk about the amount of
6 investment or really the lack thereof.

7 We had expected with Rebuild
8 that we would have a much more robust
9 level of investment at many of our
10 playgrounds, parks and recreation
11 centers, and libraries, and it just
12 really hasn't come to fruition.

13 So we are going to be talking
14 about that as a way to redirect some of
15 our young people. You know, listen,
16 maybe we can't save everybody, but we can
17 save somebody. We can save some folks.
18 There are some folks who want to be in a
19 different situation, they want to have
20 access to training and opportunities and
21 jobs, and they don't want to be on the
22 streets. So let's get those that we can
23 off the streets and into the programs and
24 services that we know will make a
25 difference in their lives and cut into

1 3/10/22 - STATED - SPEECHES

2 this senseless violence that we see
3 happening and continuing to happen in
4 Philadelphia.

5 Thank you, Mr. President.

6 COUNCIL PRESIDENT CLARKE:

7 Thank you, Councilwoman. Yeah, we have
8 to figure out a way to fix this. This
9 can't keep going on like it is.

10 The Chair recognizes Councilman
11 Thomas.

12 COUNCILMAN THOMAS: Thank you,
13 Council President.

14 I was actually going to just
15 announce the hearing that we're having
16 this afternoon. The Streets and Services
17 Committee is having a hearing this
18 afternoon at 1:00 p.m. to explore
19 sustainable alternatives to what we do to
20 prepare for storms in the City of
21 Philadelphia.

22 It's no secret that in
23 Philadelphia we have huge issues with
24 infrastructure, whether it's the impact
25 it has on hit-and-runs or the average

1 3/10/22 - STATED - SPEECHES

2 everyday pothole issues that we have.

3 So today's hearing is going to
4 be looking at exploring alternatives to
5 how we deal with and prepare for some of
6 the precipitation that happens as it
7 relates to storms here in the City of
8 Philadelphia.

9 But I don't think anybody can
10 listen to Councilmember Bass and what she
11 just said and the passion she just said
12 it with and follow up from her and not
13 say anything.

14 So, colleague, I appreciate
15 your passion, and, you know, I also share
16 your frustration. I heard Councilman
17 Johnson say we're closing in on 100
18 homicides, which is another sad milestone
19 for us as a city. I listened to
20 Councilmember Bass's emotions talking
21 about someone that she know that
22 tragically and recently passed away from
23 gun violence, and I agree like she said,
24 it's not -- there are things that we can
25 do, right? We can't fix everything, but

1 3/10/22 - STATED - SPEECHES

2 there are things that we can do. And
3 when we're talking about rec centers and
4 when we're talking about access to
5 quality programming, when we're talking
6 about simple things like how dirty our
7 city is, I just think that we can do
8 better and we will do better.

9 I appreciate working with you
10 guys on Council. I do. But as
11 government, I think we have to push and
12 do a little bit more.

13 So I know for me, I'm inspired.
14 I'm going to continue to fight the good
15 fight and try to save as many lives as we
16 can, but I will try to continue to push,
17 because I think that far too often when
18 we find solutions and we advocate for
19 those solutions, they don't actualize
20 themselves, and I think that is where the
21 rubber hits the road.

22 So I'll stop right there. I
23 thank everybody for their leadership. I
24 too am just a little emotional this
25 morning. There's a lot going on with our

1 3/10/22 - STATED - SPEECHES

2 young people, and I'm hoping people can
3 join us this afternoon for our Streets
4 hearing.

5 Thank you, Council President.

6 Thank you, colleagues.

7 COUNCIL PRESIDENT CLARKE:

8 Thank you, Councilman. Thank you so
9 much.

10 The Chair recognizes
11 Councilwoman Quinones-Sanchez.

12 COUNCILWOMAN SANCHEZ: Thank
13 you, Council President.

14 And before I talk about what I
15 wanted to talk about, I just wanted to
16 also echo Councilmember Brooks'
17 conversation around highlighting Jennifer
18 and Jennifer's work. I know, Council
19 President, she was a normal fixture on
20 City Council.

21 I'll never forget the Special
22 Committee on Poverty, we had our hearings
23 at Temple University, and Jennifer came
24 in really strong and hard on PHA. I
25 mean, she went in deep around vacancies,

3/10/22 - STATED - SPEECHES

around all of the challenges and even went after Kelvin and his salary and everything else. And I just wanted to highlight that, because over time, both Kelvin and Jennifer developed a great respect for each other. You know, she didn't need to make him an enemy to have her cause, and he respected her advocacy. And as someone who started in advocacy, you know, and became an advocate and now in government, too many times what we see in the national scene is it's sort of like that's the bad guy, that's the good guy, and there's no time for just taking a moment so people understand what they're fighting for.

And so I just wanted to highlight that, because it's Women's Month, and Jennifer was very strong and very firm in her position, but talking a whole lot around that advocacy work with how she developed a relationship and worked with Kelvin to do the historic agreement that was later signed off on by

3/10/22 - STATED - SPEECHES

everyone, it really speaks to a model that we should all follow.

Sometimes when we take a moment and pause and just listen to each other, we can accomplish so much more.

So just wanted to highlight my Jennifer story, particularly as it relates to PHA and her work.

I just wanted to also echo this morning, before jumping on Council, I was listening to the closing testimonies of the lawsuit and really wanted to thank the Public Interest Law Center and everybody who has been involved in this journey for many, many years, and really hoping that we really get to a dialogue around school funding, going through the formula and the games that the State Legislature has played by dividing school districts. I think this lawsuit for the first time really helps put urban districts along with rural districts and shows that they also have a common cause around equity and access.

1 3/10/22 - STATED - SPEECHES

2 And with that in mind, just
3 remind folks that this afternoon the
4 School District will be posting the
5 information around the public testimony.
6 Next week, Monday, Tuesday, and
7 Wednesday, the three finalists will be in
8 Philadelphia and there'll be an
9 opportunity for different stakeholders to
10 meet with the three finalists. Tomorrow
11 the list will become public. And just
12 encourage everyone to participate in any
13 one of the forums, whether it's the union
14 forum, the elected officials forum, or
15 the community forum, to meet these three
16 finalists.

17 Yesterday we had a conversation
18 with Board President Joyce Wilkerson in
19 the Education Committee, and as she was
20 talking to us around the process, she
21 reminded us that the School District of
22 Philadelphia and the search committee was
23 competing with seven to ten other large
24 cities who are also in search of a
25 superintendent, right? Whether it's

3/10/22 - STATED - SPEECHES

Denver, Cincinnati, Boston, there are many, many people looking for superintendents. So Philadelphia is, to a certain degree, competing, right, for talent.

And so when these three individuals, brave individuals who have made it to this last round, come to Philadelphia, let us be reminded of that, that we're, just like with teachers and just like with nurses, we're all competing for the best talent. And I want the next superintendent to come to Philadelphia clear around the challenges but also around the commitment by stakeholders to work alongside that person to make our School District the best that it can be.

So thank you very much, Council President and my colleagues.

COUNCIL PRESIDENT CLARKE:

Thank you, Councilwoman. Thank you so much.

The Chair recognizes Councilman

1 3/10/22 - STATED - SPEECHES

2 Squilla.

3 COUNCILMAN SQUILLA: Thank you,
4 Mr. President.

5 I just want to inform everybody
6 that there will be an honoring for the
7 St. Patrick's Day Parade today at
8 4 o'clock over at the Mayor's Reception
9 Room, recognizing our 250th parade here
10 in Philadelphia. Also honoring their
11 Grand Marshal, Michael J. Bradley Jr., on
12 Sunday for the parade, for the St.
13 Patrick's Day Parade, and it will be
14 starting at 11:15. They're kicking off
15 around that time at 16th and JFK for any
16 members who would like to participate in
17 that parade. It will be televised also
18 beginning at noon.

19 COUNCIL PRESIDENT CLARKE:
20 Thank you, Councilman.

21 The Chair recognizes Councilman
22 Jones.

23 COUNCILMAN JONES: Thank you,
24 Mr. President.

25 I want to draw the correlation

3/10/22 - STATED - SPEECHES

between Member Bass's acknowledgment of the violence in our neighborhood, the acknowledgment that recreation centers or the lack thereof often play a part of that, and the importance of selecting the next superintendent of schools and telling Gym, member of Council's, plea about facilities and drinking water. They are all related, because the school-to-prison pipeline is a real thing.

If you look at the zip codes that schools are failing in and then calculate where the inhabitants of State Road's prisons come from, synonymous, school-to-prison pipeline.

If you look at the fact that if you reduced the dropout rate about 50 percent in the underperforming schools that are in those zip codes, you would cut the crime rate in Philadelphia, the murder rate in Philadelphia, because those things go together, contributing to the end product, which is murder and

1 3/10/22 - STATED - ADJOURNMENT

2 incarceration in the Commonwealth.

3 So we might be thinking that
4 they're not. I want to draw attention to
5 the fact that there is a causal effect to
6 both, and I'm thankful that my members
7 feel the way they do, that they hurt
8 deeply for the City, and so I'm thankful
9 to that.

10 Thank you, Mr. President.

11 COUNCIL PRESIDENT CLARKE:

12 Thank you, Councilman. Well said.

13 And that concludes our speeches
14 on behalf of the minority and the
15 majority. With that said, the Chair
16 recognizes Councilman Jones for a motion
17 to adjourn.

18 COUNCILMAN JONES: Thank you,
19 Mr. President. I move that Council stand
20 adjourned until Thursday, March 17th,
21 2022 at 10:00 a.m.

22 (Duly seconded.)

23 COUNCIL PRESIDENT CLARKE:

24 Thank you. It has been moved and
25 seconded that Council stand adjourned

1 3/10/22 - STATED - ADJOURNMENT

6 (Aye.)

7 COUNCIL PRESIDENT CLARKE:

8 Those opposed?

9 (No response.)

10 COUNCIL PRESIDENT CLARKE: The
